Under no circumstance will a library staff member transport a minor to another location.

Upon the appearance of the parent or adult guardian, the director or staff member in charge will talk with the adult, informing him or her of the dangers involved with leaving a minor unattended and notifying them of the Library Board Policy regarding unaccompanied children. Such incidences will be documented and kept on file in the library. Repeat offenses may result in referral to the Library Board and/or to Michigan Social Services.

### **Violation of the Policy**

Any violation of any of the foregoing regulations shall be cause for any patron to be expelled from the premises. The Library Director, or his or her authorized designee, is authorized to terminate any user's access to the library if the user has failed to comply with the library's Patron Responsibilities and Conduct Policy and/or related rules.

- **Initial Violation:** Users who are observed violating the Patron Responsibilities and Conduct Policy will be asked to cease the violation with a verbal warning. If the user does not comply with the request, the user's access to the library shall be terminated for the day. If the user refuses, the police may be called, and the user's access to the library may be terminated for a longer period as determined by the Director or supervisor-in-charge as the Director's authorized designee.
- **Subsequent Violation:** The Director or supervisor-in-charge as the Director's authorized designee may further limit or revoke the patron's library privileges if infractions continue. Such limitation or revocation shall be in writing specifying the nature of the violation. Subsequent violations of the same rule shall result in additional suspensions of increasing length.
- **Violations Affecting Safety and Security:** If the violation of the library's Patron Responsibilities and Conduct Policy affects safety or security, or is a violation of law, the library has the right to immediately call the police and terminate the user's library access or other library privileges without complying with the procedures outlined above. Illegal acts involving library use may be subject to prosecution.
- **Reinstatement:** The patron whose privileges have been limited or revoked shall attend a meeting with the Director or the supervisor-in-charge as the Director's designee to review the Patron Responsibilities and Conduct Policy before their privileges may be reinstated. The Director or the Director's designee has the authority to determine if the patron will be reinstated with full library privileges, partial library privileges or if the suspension of library privileges will continue for a longer period of time or indefinitely.

Any user who is denied access to the library may file a written appeal of the Director's or Director's authorized designee's decision by sending an appeal in writing to the president of the Library Board within 10 business days of the violation. The Library Board will render their decision within 60 days of receipt of the appeal. The decision of the Library Board is final.
